The New York Metro Area Chapter invites you to attend...

Regulatory Updates—Health & Welfare Plans

After the storm of activity caused by trying to achieve compliance with the PPACA and other recent legislation, it is time for Health & Welfare plan sponsors to take a step back and absorb the latest regulatory guidance on issues such as:

- New York State Same Sex Marriage
- Change in Medicare Open Enrollment Period
- HITECH Act
- Trade Adjustment Extension Act of 2011 (changes to COBRA)

Rosemary Manning-Hughes, Area Vice President, from Gallagher Benefit Services, will cover these points and other topics.

This seminar will give you a chance to check-off the compliance activities that you need to accomplish for 2012, and to start planning for 2013 and beyond.
