Benefits 360, Spring 2017

Maximize Your Employer-Sponsored Benefits

Come join the ISCEBS NY Metro Area Chapter for our upcoming Benefits 360 event. This event is open to all HR, benefits and financial wellness professionals who want to obtain a deeper understanding of the latest happenings in the employee benefits arena. By the end of the day you will have gained a better insight to get greater value out of your existing employee benefit programs by learning about recent changes in healthcare reform landscape, the importance of wellness in the workplace, voluntary benefits and financial wellness from subject matter experts.

Employer-sponsored programs serve a critical role by helping employees optimize their health and wealth goals and allowing plan sponsors to retain and recruit the right talent from a shrinking pool of resources. Do your part to stay ahead of the curve to power up your employee benefits platform, and ultimately increase employee engagement.
