## **Identity Theft Risk Management**

Employers and employees are impacted by data breaches, which can lead to identity theft. Please join us as our speaker, Arnum Wapples, Executive Director at LegalShield, discusses how to mitigate your company's risk when it comes to identity theft, including:

- Understanding the risk of Identity Theft and how it can affect your organization
- Helping employees deal with the major types of Identity Theft
- Increasing retention, reducing absenteeism, and managing financial risk by protecting employees

### **Arnum Wapples Jr., MBA**

#### **Executive Director, Employee Benefits and Broker Divisions, LegalShield**

Arnum Wapples is a Certified Identity Theft Risk Management Specialist and a Group Benefits Specialist with LegalShield. Born and raised locally in Newark, NJ, Arnum moved south to pursue a higher education. After attaining his Master's degree in Business Administration (MBA) from Old Dominion University in Norfolk, VA, he relocated to Brooklyn where he currently resides. Arnum spent 3 years as a business banker for Chase where he loved his job, but after seeing many companies suffer due to the lack of legal assistance and countless employees dealing with identity theft situations, he decided in October of 2012 it was time to start working closer with companies to help them achieve their goals. Working with small to medium size companies, Arnum is a trusted adviser and consultant to dozens of businesses, and some of the top insurance brokers across the country. His company is dedicated to strategically aligning with companies by providing services that bring cutting-edge and cost effective solutions to the global marketplace.
